## Financial situation

### **FINANCIAL INFORMATION**

*The monthly staff fee is \$50. This includes food and housing, water, and electricity.*

*This amount does not include traveling costs, nor personal necessities (personal hygiene, laundry soap, etc.). We recommend you raise \$20 in monthly support for your personal expenses.*

*Traveling costs depend on your country of origin. Travel by bus from Tegucigalpa or San Pedro Sula to La Ceiba, our nearest city, costs about \$20. The flight from La Ceiba to Ahuas costs about \$150, one way. Also, the country of Honduras extends a 90-day visa to foreigners. Long-term staff may apply for residency. All foreigners must be responsible to extend their visa or pay the resulting fines.*

*Upon your arrival to our base, we also charge a **refundable** deposit of \$150 to cover your travel costs in case you have to leave Ahuas for any reason.*

*There are many banks in La Ceiba, the nearest city. However, travel to and from La Ceiba is very expensive. There is one bank in Ahuas where you can receive money sent through MoneyGram. There is no ATM.*

*To maintain a reasonable staff fee at our base, we all participate in work duties such as cooking and cleaning, maintenance, and agriculture. Also, we work as a team to do fund-raising activities such as selling prepared food.*

*As staff, we live by faith. We don't receive a salary, and we trust in God's provision for our expenses.*

Do you have the necessary finances to serve at our base? Yes  No

How much do you have at this time?

What are your plans to receive support?
